

BONE DENSITY - DEXA		Brain		Pelvis	
DXA - hips, pelvis, and spine	76075	Flow study LTD static	78600	Without contrast	72192
ULTRASOUND - US		Flow study LTD procedure w/ vascular flow	78601	With contrast	72193
Abdomen		Flow study complete static	78605	With and without contrast	72194
Abdomen	76700	Complete with vascular flow	78606	Abdomen & Pelvis (Renal Stone)	74150 & 72192
Abdomen limited (RUQ)	76705	Complete SPECT	78607	Abdomen & Pelvis (Urogram)	74150 & 72192
Abdominal Aorta (AAA)	76775	Vascular flow only	78610	Abdomen & Pelvis (Enterography)	74160 & 72193
Gallbladder Function	76705	Cerebral vascular flow	78615	Head (Brain)	
Breast		Gastrointestinal		Without contrast	70450
Left / right	76645	Gastric emptying	78264	With contrast	70460
Ultrasound guided cyst aspiration	76942	Hepatobiliary w/ CCK if needed (gallbladder)	78223	With and without contrast	70470
Ultrasound guided breast biopsy	76942	HIDA scan w/ GB EF	78223	Chest / Thorax / Sternum	
Ultrasound guided aspiration	76942	Blood loss study	78278	Without contrast	71250
Pelvic		Meckel's localization	78290	CT Thorax (pulm nodule)	71250
Transabdominal complete	76856	Heart		With contrast	71260
Transabdominal limited	76857	MUGA resting	78472	CT Thorax / CT Thorax high resolution	71260
Transvaginal (non-OB)	76830	Liver		With and without contrast	71270
Saline sonohysterography (SIS)	76831	Liver static only	78201	Lung cancer screening	76497
Thyroid		Liver SPECT (RBC)	78205	Extremity	
Thyroid (soft tissues H/N)	76536	Liver and spleen static	78215	Lower extremity without contrast	73700
Urinary Tract		Liver SPECT with flow	78206	Lower extremity with contrast	73701
Bladder (pelvic limited)	76857	Lung		Lower extremity with and without contrast	73702
Renal (retroperitoneal limited)	76775	Lung perfusion multiple views	78588	Upper extremity without contrast	73200
Renal and bladder (retroperitoneal complete)	76770	Lung ventilation multiple views (aerosol)	78587	Upper extremity with contrast	73201
Scrotum	76870	Thyroid		Upper extremity with and without contrast	73202
Duplex	93975	Scan and single uptake	78006	Maxillo Facial	
Uterus (OB)		Multiple uptake and image	78007	Facial bones without contrast	70486
OB < 14 weeks - TV if needed	76801	Thyroid imaging only	78010	Sinuses without contrast	70486
OB < 14 weeks for each additional gestation	76802	Thyroid / hyperthyroid therapy (oral)	79005	Facial bones with contrast	70487
OB > 14 weeks - TV if needed	76805	Thyroid met imaging, whole body	78018	Facial bones with and without contrast	70488
OB > 14 weeks for each additional gestation	76810	Parathyroid	78070	Neck	
OB > single fetus high risk	76811	Tumor Localization		Without contrast	70490
OB transvaginal	76817	Limited area	78800	With contrast	70491
OB Limited	76815	Multiple Area	78801	With and without contrast	70492
Extremity		Whole body (with SPECT if needed)	78802	Orbit, Sella, Posterior Fossa or Ear	
Extremity non-vascular	76880	SPECT	78803	Without contrast	70480
NUCLEAR MEDICINE - NM		Urinary Tract		With contrast	70481
Abscess Localization		Renal flow and function (single w/o drugs)	78707	With and without contrast	70482
Abscess, limited area	78805	Renal flow and function (single w/ drugs)	78708	Spine	
Abscess, whole body	78806	Renal static with flow	78701	C-Spine without contrast	72125
Abscess, SPECT	78807	Renal flow and function (multiple w/ or w/o)	78709	C-Spine with contrast	72126
Bone		Ureteral reflux study (cystogram)	78740	CT Myelogram (Cervical)	72126
Bone scan limited	78300	COMPUTED TOMOGRAPHY - CT		C-Spine with and without contrast	72127
Bone scan multiple areas	78305	Abdomen		T-Spine without contrast	72128
Bone scan whole body	78306	Without contrast	74150	T-Spine with contrast	72129
Three phase study	78315	With contrast	74160	T-Spine with and without contrast	72130
SPECT (billed with 78306 only)	78320	With and without contrast	74170	L-Spine without contrast	72131
		CT Liver / Renal / Pancreas Mass	74170	L-Spine with contrast	72132
				CT Myelogram (Lumbar)	72132
				L-Spine with and without contrast	72133

CT ANGIOGRAPHY - CTA		MRI (continued)		MAGNETIC RESONANCE ANGIOGRAPHY - MRA	
Abdomen	74175	Knee (Joint)		Abdomen	74185
Chest	71275	Left / right without contrast	73721	Chest	71555
Head	70496	Left / right with contrast	73722	Head	
Neck	70498	Left / right with and without contrast	73723	With contrast	70545
Pelvis	72191			With and without contrast	70546
Lower Extremity	73706	Leg (Non-Joint)		Neck (includes Carotids)	
Upper Extremity	73206	Left / right without contrast	73718	With contrast	70548
Cardiac	0149T	Left / right with contrast	73719	With and without contrast	70549
Screening Cardiac Calcium Scoring	0144T	Left / right with and without contrast	73720	Pelvis	72198
PET / CT		Orbits, Face, Neck		Spinal Canal	72159
Limited area	78814	Without contrast	70540	Lower Extremity (Runoffs)	73725
Skull to mid-thigh	78815	With contrast	70542	Upper Extremity (Runoffs)	73225
Whole body (melanoma)	78816	With and without contrast	70543	CARDIOLOGY CARE CENTER (434) 982-7195	
MAGNETIC RESONANCE IMAGING - MRI		Pelvis		Cardiology	
Abdomen		Without contrast	72195	Stress test	93017
Without contrast	74181	With contrast	72196	Nuclear stress test (include nuclear codes)	93017
With contrast	74182	With and without contrast	72197	Echocardiogram	93307 & 93320 & 93325
With and without contrast	74183	Shoulder (Joint)		Arrhythmia monitor	93270 & 93271
Renal Mass	74183	Left / right without contrast	73221	Holter	93225 & 93226
Ankle		Left / right with contrast	73222	Cath Lab	
Left / right without contrast	73721	Left / right with and without contrast	73223	Left heart catheter	93510
Left / right with contrast	73722	Elbow		Right & left heart catheter	93526
Left / right with and without contrast	73723	Without contrast	73221	EP Lab	
Brain		With and without contrast	73223	Implant single chamber pacemaker	33206
Without contrast	70551	Spine		Implant dual chamber pacemaker	33208
With contrast	70552	C-Spine without contrast	72141	Vascular Ultrasound	
With and without contrast	70553	C-Spine with contrast	72142	Carotid doppler	93880
MS Protocol / IAC / Pituitary	70553	C-Spine with and without contrast	72156	IMT	0126T
Breast		L-Spine without contrast	72149	Renal doppler	76770 & 93975
Unilateral with and without contrast	77058	L-Spine with contrast	72148	Venous doppler lower extremity unilateral	93971
Bilateral with and without contrast	77059	L-Spine with and without contrast	72158	Venous doppler lower extrem. bilateral complt.	93970
Chest		T-Spine without contrast	72146	Venous doppler upper extrem. unilateral	93971
Without contrast	71550	T-Spine with contrast	72147	Venous doppler upper extremity bilateral complt.	93970
With contrast	71551	T-Spine with and without contrast	72157	Comp. venous reflux unilateral	93965 & 93971
With and without contrast	71552	Thigh (Non-Joint)		Comp. venous reflux bilateral complt.	93965 & 93970
Foot (Non-Joint)		Left / right without contrast	73718	Lower extrem. arterial doppler unilateral	93922 & 93926
Left / right without contrast	73718	Left / right with contrast	73719	Lower extrem. arterial doppler bilateral complt.	93924 & 93925
Left / right with contrast	73719	Left / right with and without contrast	73720	ABI	93924
Left / right with and without contrast	73720	TMJ		Upper extremity arterial doppler unilateral	93931
Hip (Joint)		Unilateral / Bilateral	70336	Upper extremity arterial doppler bilateral complt.	93930
Left / right	73721	Wrist (Joint)		Mesenteric doppler	93975
Left / right with contrast	73722	Left / right without contrast	73221	Portal vein doppler	93975
Left / right with and without contrast	73723	Left / right with contrast	73222		
		Left / right with and without contrast	73223
